New Islamic Directions and NID Publishers are members of International Recording Media Association: www.recordingmedia.org . An organization for the protection intellectual property rights of Media Artists.

According to the United States Copyright Law -Pursuant to Title 17, Chapter 5, Section 510, et seq. of the United States Code, anyone who infringes upon the copyrighted works of another is subject to civil liability in the form of damages and/or injunctive relief. Any willful infringement can also subject the infringing party to federal criminal liability, pursuant to Section 506, et seq. Laws such as these have been enacted to protect the value and integrity of the original works of individuals and their constitutional rights to intellectual property.

I agree to the above guidelines set forth by CDSA:
